CAMP ALL-STAR

The All-Star Basketball Academy is proud to announce our first annual summer basketball camps taking place in Calabasas California this summer. The All-Star Basketball Academy ("ABA") is a professional basketball training organization tailored for young athletes seeking high level training. The ABA offers a rigorous year-round training program that combines league play with professional skill conditioning and is aimed at developing superior athletic performance and basketball IQ. For the first time ever, the ABA is offering its quality program in a unique summer camp experience.

Camp All-Star focuses on providing young players with a program that improves their basketball skills and game intelligence. Our detailed program is designed to challenge our kids to work hard, learn, and apply their skills in game situations. We instill in each and every camper the importance of basketball fundamentals, teamwork, and sportsmanship. Our camp is designed to help players of all skill levels and abilities between the ages of 8 and 12 years old to master the game of basketball.

Our quality coaches bring a lifetime of experience to the camps. Each and every coach played college level basketball and most of our coaches are currently coaching middle school or high school varsity teams.

Camp All-Star is dedicated to teaching and helping kids improve their game. In order to assure each camper personal attention and proper instruction we limit our coaches to 10 players per coach. Therefore, we have limited space available, so please register early. Come join us for a sold out season of fun and hoops.
